REDACTED

NATIONAL REGISTRY OF HIGHER EDUCATION

The Ministry of University and Research

Having seen article 62-quinquies of Legislative Decree no. 82 of 7 March 2005, which allows citizens access to ANIS to consult their data and obtain certificates;

Considering that ANIS makes available to citizens, as part of the access and consultation services, the certification services that remain the exclusive responsibility of higher education institutions under current legislation, in accordance with the provisions of article 3, paragraph 1, letter a) and article 7, paragraph 2, of the Decree of 19 January 2022;

Considering the sole competence, pursuant to current legislation and in accordance with article 3, paragraph 1, letter a) and article 7, paragraphs 1 and 2 of Ministerial Decree 19 January 2022, of the Institute of Higher Education for the issuance of certificates concerning enrolment and awarding of academic degrees in its courses of study;

Considering that the Ministry of University and Research ensures certification of the data contained in ANIS as communicated and updated by the relevant higher education institutions through issuance of digital documents bearing a qualified electronic seal, in accordance with Regulation (EU) no. 910/2014 of the European Parliament and of the Council of 23 July 2014 pursuant to article 4(2) of the Decree of 30 September 2022;

Having seen the data registered in ANIS by Università degli studi di Milano (Last update 08/05/2026);

CERTIFIES that the NATIONAL REGISTRY OF HIGHER EDUCATION has the following:

Università degli studi di Milano has issued to Surname ABBADINI First name MARCO REDACTED REDACTED on 19/07/2017 the following title:

Laurea Magistrale (DM 270/04) in Matematica (degree class Matematica - LM-40) with a mark of 110/110 whit honors (one hundred and ten whit honors out of one hundred and ten).

Date 23/07/2026

Ministry of University and Research

This digital document is issued to the interested party pursuant to article 4, Paragraph 2 of the Ministerial Decree of 30 September 2022, and cannot be submitted to the bodies of the public administration or to private managers of public services that are required to access data held by other public administrations in interoperability according to regulations in force.
This digital document may be used in dealings with private individuals and enables the party to whom it is submitted to check the correspondence of what is declared by the interested party.

The data in this document are valid from the date of issue. ANIS will make any updates by the relevant institution available. The validity of the document can be checked online at any time by reading the mark (QR code). In a negative outcome, the person concerned may request a new, updated document.
The document available and online verification services are provided by ANIS free of charge.
